#### FIM Europe Sporting Code §60.3: BEHAVIOUR AND OBLIGATIONS OF PARTICIPANTS

The participant obliges himself to behave as a good sportsman and take no unsporting and/or fraudulent actions against the public, organisers, officials and FIM EUROPE or other participants. Violations of this article will be punished by the International Jury/Race Direction or the FIM EUROPE Disciplinary and Arbitration Bodies.

#### FIM Europe Sporting Code §60.6: LIABILITY OF THE SPORTING AUTHORITIES

The participant as per Article 60.2 in an official event exonerates the FIM, the FIM EUROPE, the FMNR, the organisers, the FIM EUROPE promoter(s) and the officials, their employees and officers and agents from any and all liability for any loss, damage or injury which he may incur in the course of an official event or the training therefore, subject always to Article 110.3 of the Sporting Code. Furthermore, the participant undertakes to indemnify and hold harmless the FIM, the FIM EUROPE, the FMNR, the organisers, the FIM EUROPE promoter(s) and officials, the employees, officers and agents, from and against any and all liability to third parties for any loss, damage or injury for which he is jointly and severally liable. Riders cannot hold each other mutually responsible for damages caused during the practice or race.

#### FIM Europe Sporting Code §110.3: LIABILITY FOR MATERIAL DAMAGES

Neither the FIM EUROPE, nor the FMNR, nor the Organiser, nor the Promoter may be held responsible for any damage sustained by a racing or reserve motorcycle taking part in an official event or to its accessories or equipment during the event, however caused either by fire, accident or any other means, or by theft or deterioration. The organiser is however responsible for the motorcycles which are placed under his exclusive control (i.e. parc fermé). He is therefore bound to insure all motorcycles in this parc fermé for their total commercial value against theft, loss or damage during this period. Riders cannot hold each other mutually responsible for material damages on machines caused during the practice or race.
